Go to www.mrrbrown.org to see if your child is missing any assignments... PLEASE help your child get those assignments done and turned in ASAP! I want the students checking off any of the above assignments only AFTER they have done their absolute best on them and have finished those assignments and turned them in... We try and get to all of the above assignments each week, but sometimes run out of time... **The main thing to focus on is any missing assignments...** Remember, all assignments are printed out and given to the students... If they misplace one, then you can print out another one from our class web-site. Also, you can email me at: brownr@monroe.wednet.edu or call and leave a message at 360-804-3402. Thank you!!!
