

A Symphony of Whales

1.	Glashka's family lives in a very cold environment and they depend on the sea for their food and clothing...
2.	Glashka heard the whale Narna singing...
3.	The beluga whales became stranded near land...
4.	The dogs helped find the stranded whales.
5.	Glashka's father radioed ice breakers for help...
6.	Glashka went to the village to tell the people about the stranded whales and asked if they could help.
7.	The captain plays many different kinds of music to get the whales to follow the boat...
8.	The ice breaker boat created a small passage for the whales to swim back out to sea.
