

Rocks In His Head

1.	The father collected rocks and minerals from around the world since being a boy.
2.	He opened a filling station.
3.	He displayed his rocks at the Antler Filling Station.
4.	Customers bought parts of the Model T from the father and had him repair their car.
5.	People came to play chess, get gas and look at the rocks.
6.	The father's filling station closed down.
7.	The father's family moved away and he put his rocks upstairs in the attic.
8.	He got a new job as the curator of mineralogy.
